First Online Air Ticketing System of Pakistan

Rehman Travels takes pride in having launched and are operating their own indigenously developed online travel booking system without being dependent upon foreign based systems. As a result we claim to have the only secured system that is 100% based within Pakistan. This system is being operated all over Pakistan and globally by businessmen and corporate organizations. Following are few key features of the system.

www.rehmantravel.com would assign a Customer Login ID and a password through which you can book and purchase ticket on your own, within your assign credit limit.

This ID would enable you to access and deal with more than 400 airlines and 25000 international and nationwide hotels, tours and beach resorts.

Your travel plans are completely safe and secure as you would be the only one to access the system. You will have your all history of tickets issued including accounts in your pocket (mobile).

The portal is accessible to individuals and corporate for booking ights 24/7.

The prime feature and most important advantage of this facility is **Complete Privacy and Secure**. No one will know about your Travel Plans and Names.

Confidentiality, your travel plans are safe from prying eyes and ears within the organization and even from the sta / team of Rehman Travels/ anyone else having access to the system.
